To The Secretary to the Government of Madras,

Law (Education) Department

Sir,

In their order No.Ms.1535 Edn., dated Government were pleased to sanction the payment from cial funds of a sum of Rs.12-8-0 per mensem towards of the cook and menials employed in the Indian Chri hostel attached to the Government Training School mistresses, Bellary for a period of 1 year from 1- until the number of boarders inclusive of residen increases to twenty. The above sanction expired b

and reopened only on 4-6-30 the cook and menials were continued as usual, in service and that they may therefore be paid their wages for May and June 1930. In support of the continuance of the menial establishment in the hostel during the vacation it has been pointed out that the menials cannot be turned out at the close of the school session and left without means of support for 2 months. It is difficult to secure ~~Suitable~~ new servants suitable for employment in women's hostel on the very low wages that it is possible to give them. ~~as~~ It is desirable and the usual practice to keep in continuous employment satisfactory servants when available. The strength of the hostel rose to 24 on 4-6-30 and thus the wages of the menials will therefore be borne by the Boarders themselves from that date.

3. In the circumstances pointed out above I have the honour to request that Government may be pleased to sanction the continuance of the charge of Rs.12-8-0 per mensem towards the wages of menials in the above hostel from the 1st May to 4th June 1930.

4. The extra expenditure involved by this proposal can be met from the current year's appropriation under "31.D(a) Education-Special-Government Special Schools (ii) Government Training Schools-Mistresses-Contingencies-voted-Pay of Menials.
